

Assistant CBP Officer (Maternity Replacement)- UNHCR

the UN Refugee Agency, takes the lead in protecting people forced to flee wars and persecution around the world, providing life-saving aid including shelter, food and water to ensure their basic safety, rights and dignity.

Deadline for application: January 18, 2023

Major: degree in Mass Media and Communication, Political Science and International Affairs, or any related field

Experience: 1 year of relevant experience with Undergraduate degree; or no experience with Graduate degree

Major Responsibilities:

- Support a consultative process with government counterparts at local levels, partners and PoC to develop and implement integrated strategies that address the key protection priorities, including, for example, child protection, education and GBV, and solutions approaches.
- Provide technical guidance and support to UNHCR and partners and implement and oversee Standard Operating Procedures (SOPs) on all community-based protection related issues.
- Support the design, implementation and evaluation of protection centered and solutions oriented programming with implementing and operational partners guaranteeing that community-owned activities are integrated.
- Support communities in establishing representation and coordination structures
- Promote confidence building and conflict resolution among PoC, authorities and host communities.
- Maintain protection presence through regular field missions and reports, making direct contact with PoC, host communities, local authorities and partners. In operations applying the humanitarian cluster system, contribute the development of an AGD-compliant strategy on which the response of the Protection Cluster is grounded and covers all assessed and prioritized protection needs of the affected populations.
- Support the Operation's work to fully integrate the protection strategy into the Country Operations Plan, the UN Development and Assistance Framework (UNDAF), the Humanitarian Country Team's common humanitarian action plan where applicable.
- Contribute to the Protection team's information management component which: provides disaggregated data on PoC and their problems; researches, collects and disseminates relevant protection information and good practices to enhance protection delivery and provide technical advice if necessary.
- Support the inclusion of participatory, community-based protection and AGD approaches in strategies and plans in the Country Operation.
