From: The President

19 May 2017

Prevailing rumors notwithstanding activities on Campus involving the Inauguration of the Fares Library on Saturday May 20<sup>th</sup>, and the Graduation Ceremony on May 23<sup>rd</sup> are open only to holders of tickets issued by the University- special invitation cards for the Saturday Ceremony, and ten tickets per graduate for the Graduation Ceremony. We regret that these two events are not open to the public.

Elie A. Salem
