

## **Coding Trainer- Geek Express**

*Geek Express is an online tech school, with a K-12 accredited curriculum that lays the foundation for our youth's future academic and professional pursuits*

Location: Remote

Working Hours: Flexible, based on trainer availability and course bookings

Major: degree in Computer Science, Computer Engineering, Electrical Engineering, Mechanical Engineering, or any related field

Experience: currently enrolled students and fresh graduates are both accepted

### Major Responsibilities:

- Deliver engaging and interactive coding lessons to students, both online and/or in-person.
- Teach courses using Geek Express's curriculum, which covers a range of topics in programming and technology.
- Prepare and lead classes tailored to the students' age and skill levels.
- Participate in a mandatory training session for each course to ensure full readiness before teaching.

### How to Apply:
